Altona Lifesavers to the Rescue

● Mr. Jim Byrne's interest in resuscitation was put to good use during his recent trip to Mildura. He is pictured administering oxygen to Julie May, aged 6½ years after her rescue from the Murray.

Proposed Railway Line Extensions Inspected by Public Works Committee

Yesterday a delegation of the Public Works Committee, supported by Railway and Transport Officials, inspected the site of the proposed railway extensions at Altona and Seaholme.

Proceeding from the finish of the line at Altona Railway Station the party followed the proposed route of the extensions along Railway Street, crossing Grieve Highway to the suggested site of the new Railway Station in Harrington Street, near Maidstone Street.

Following this an inspection was made of the magazine area, where it is hoped the line will be extended to Werribee South.

The party then returned to Seaholme to the site of the proposed loop line.

The delegation seemed to appreciate the points put to them and as individuals were definitely impressed with the progress made in the area.

Present were the Shire President, Cr. A. W. Bond, Cr. S. G. McIntosh, Cr. W. Cresser, Cr. V. Hearne, Cr. H. W. Lee, the Shire Secretary, Mr. J. W. Waters, and the Shire Engineer, Mr. R. Simmons.

Refreshments were provided by the council.

oOo

MORE LIGHTING

Council have decided to erect a light over the conveniences in Logan Reserve, such as the one at the football ground.

A flood light will be placed on the beach in the vicinity of the end of McBain Street, and it was suggested that council progressively move towards Maidstone Street with lights. (Cr. Cresser's comment: "The lovers will kill you").

oOo

LOST PROPERTY AT POLICE STATION

Awaiting owners at the Altona Police Station are four ladies' hand-bags, all with money inside, and one ladies gold wristlet watch.

NEW BOWLING CENTRE

Tenders have been called for the erection of a Bowling Centre and Shop in Borraack Square. The centre will have the most up-to-date bowling equipment installed. The building will be started as soon as possible and should be completed by June, 1963.

oOo

NEW HOTEL?

An application has been made to erect an hotel on the corner of Pier Street and the Esplanade. The Board of Works forwarded details of the application to Altona Shire Council for comment.

Cr. Cresser suggested that before council made any comment the applicant be invited to meet the council and give details of his scheme. Cr. Ginfier, who disagrees with the siting of the of the hotel, and the other councillors agreed with this suggestion.

oOo

COMPLAINT ON HOARDINGS

Objections were raised by Cr. McIntosh at the last council meeting to the "Coney Island" appearance hoardings are giving to the district.

Hoardings re land and houses for sale are contravening our by-law.

Cr. McIntosh suggested that instead of having to wait for a full Council meeting before a demolition order is issued an Officer of the Council be given the authority to issue orders immediately he sights an infringement of the by-law.

Council approved this suggestion and Mr. Mellors, Health Officer, has been authorised to issue these orders.

Minister Overrides Council

Although the Shire of Altona refused to revoke land owned by Mr. R. F. Luxton from the Planning Scheme 1958, the Minister for Local Government (Mr. Murray Porter) has given a decision in Mr. Luxton's favour without any reference to council. No reason was given for this action.

When Mr. Luxton placed his plans before council for developing a portion of Cherry Swamp, council approved in principle to the residential development of this land for a distance of 212 ft. 6 in. north of the Nordenne Estate. Approval was given subject to all frontages facing the swamp or lake boundary. An area of 100 feet had to be left between these frontages and the lake to permit the building of a perimeter road and suitable development of the area.

It is now clear for Mr. Luxton to develop the land in the way that the Board of Works will permit as he must now only comply with the Board of Works Planning Scheme.

Council had envisaged that some day the swamp could be developed into an attractive lake

area with a perimeter road.

It now seems Mr. Luxton can take the 10 feet of land council wished to reserve for this road and has the green light to go ahead and develop it in any way he so desires. Thus a site which had wonderful potential may be the cause of blocking a lake scheme in the future.

Cr. Lee disapproved of the action taken and asked that a letter be sent to the Minister for Local Government including the following—

"Is it the policy of the Minister to make decisions regarding residential development without consulting the Shire Council or taking into consideration the reasons council may have before overruling a council decision?"

CONSTABLE ARRESTS SNAKE

An aftermath of the flood caused consternation in the household of Mr. Arthur Timms, of 40 Seves Street, Altona last Saturday night.

Mr. and Mrs. Timms were watching TV in the lounge of their home when they noticed a movement on the carpet—the slithering movement of a 1 foot copperhead snake.

Mrs. Timms promptly took refuge up on the couch and left the catching of it to Mr. Timms.

Mr. Timms said the snake, to keep itself above the rising flood waters, had apparently slithered up the air vent of their convair heater and eventually found its way out through the front of the heater.

oOo

LEFT FOOTED

From near the Explosives Reserve opposite the Golf Course, Police have recovered two boxes of shoes stolen from a commercial traveller's car. What a surprise for the thief when he discovered every shoe was for a left foot.

EDITORIAL

GOOD NEIGHBOURS

Among the rather exaggerated reports of the Altona floods appearing in the metropolitan newspapers was a small almost unnoticed paragraph. This was to the effect that emergency accommodation had been made available in the Methodist Church Hall but such was not required.

The flood-affected families had apparently been helped by friends or neighbors. Such good neighborliness should not be forgotten, but it was not unique.

We are constantly hearing of similar spirited acts, of children being provided for by neighbors in a mother's sickness or confinement, of the help given when the breadwinner was laid aside, of the practical aid given to grief stricken bereaved. The material aid may or may not have been small, but it was significant.

The physical signs of the flood will disappear and be forgotten, the memories of spontaneous aid will not. Those who received needed help also become conscious of man's "humanity to man."

Those who gave may well say that they but applied the Golden Rule—"Always treat others as you would like them to treat you." (Matthew 7:12 N.E.B.) We, however, like to think of them as having been moved with compassion—they suffered with (not only for) the unfortunates. Compassion is one of our most beautiful words—we are glad we can apply it to the people of Altona for being then, and now, good neighbors.

Boys' Brigade Comm. for 1963

After a successful beginning last year the 15th Melbourne Boys' Brigade, the Life Boys (the junior section of B.B.), and the 16th Girls' Life Brigade expect to consolidate their work and take their place serving with other youth organisations in Altona.

Their activities are varied and graded to suit the different age groups.

Briefly, the Boys' Brigade meetings (for boys 12 years to 17 years) consist of an opening parade, drill, marching, gymnastics, games, first aid, morse code, with two annual camps.

The program for the Life Boys is designed to interest the restless energy of boys 8½ years to 12 years of age. Plenty of games, physical education, figure marching, craft work, stories and outings.

The Girls' Life Brigade is for girls 9 years to 18 years graded into different age groups. Their activities include physical educa-

tion, games, figure marching and drill, craft work through various badges.

Each group has its own distinctive uniform and being a Christian organisation each meeting commences with a short devotional period to suit the understanding of the various age groups.

Regular Sunday School attendance is a condition of membership. The Sunday School attendance is by the parents' choice.

These are interdenominational organisations which have been formed in Altona under the auspices of the Baptist Church. New recruits are welcome, details of times &c. will be found in an advertisement on this page.

Letters TO THE EDITOR

Dear Sir,

The latest flooding of Altona by flood waters from Kororoit Creek is the third time I can recall this happening in the 35 years I have resided in Altona. The Seaholme area in the vicinity of Millers Road, the rail line and down round the Seaholme crossing at the Civic Parade end has always been very prone to extensive flooding under bad rain and high tide conditions and as kids we were always able to paddle round here in our tin canoes during the winter.

The water never travelled so far up Civic Parade, or the adjacent streets in earlier floods because most of the area was unmade and the water just followed the natural grade and finally soaked away. Now it is all sealed roads and channelled, the water naturally spreads faster and further.

I can recall once in 1935, and I think earlier in about 1932, the water rose after two or three days rain, accompanied by high winds and tides, and backed right up under Seaholme Station and the only dry land visible to the east

was the area now occupied by the Vacuum Refinery and the top of Maddocks Road at the Geelong line. The main road out of the town then was round the racecourse, and in flood time people were not as embarrassed in travel because the usual mode was horse and jinker which is not hindered by a couple of feet of water as is the modern car. The other way out of the town in floods was to walk along the rail line to Newport.

The only alleviation to the ever-present problem of the creek flooding seems to be a canal such as the Elwood Canal through the property to the east of Millers Road under the line out to the Bay; or alternatively, heavily bank the creek right down toward the mouth. What probably causes further encroachment of floodwaters toward Seaholme and the adjacent low areas is the protective embankment of the refineries tank area which now forms the north bank of the creek.

S. CURROW,
Esplanade, Altona.

oOo

Dear Sir,

Will the Round Council Chambers become a myth like the Round Table of the 6th century, or will it become a reality? Wonderful deeds should emerge from meetings held in this £20,000 building, particularly from the "Round House."

King Arthur's Round Table materialized from the magic of Merlin. Only the most valiant were permitted to sit there, and one seat was vacant. This awaited occupation by the most courageous of all, he who would seek the Holy Grail: the president of today?

All men were equal, no quarrels were permitted, or even necessary, because the reason they sat at the Round Table existed in their perfect agreement about matters concerning themselves and their community.

The Round Table analogy has probably given birth to the Round Council Hall. Its example should therefore inspire our council members to courage and agreement in serving the members of the community in honest sincerity.

We need a better drainage system, more serious discussion of

the possibility of sewerage, with some constructive ideas on the problem of the marsh off Millers Road.

The president must be eager to "seek the Holy Grail," that peak of perfection, never attained but capable of drawing us nearer our goal, a man of positive action who does not say "It can't be done."

With such members, Altona will match its Council Chambers. It will no longer be a small, isolated area, rather scoffed at by residents of other suburbs. Visitors will not have cause to raise slightly haughty eye-brows at our antiquated pan service, or our shadeless sea-front.

Our building will attract considerable attention from many parts of Victoria. It is not difficult to imagine the triumph of the official opening and the mutual "back-patting" of all concerned in its construction.

From this investment then may the community of Altona receive dividends in fearless leadership with equal benefits for all.

Nothing is impossible. It can be done.

RATEPAYER.

ALTONA A.N.A. CRICKET CLUB

Last Saturday all teams suffered losses on the first innings to the top teams in each division.

A TURF

ANA won the toss and sent Williamstown Imps. in to bat and at the end of the divided time were 5/161. Les Vines made 56 and Brian Tweedly made 37 n.o. Frank Jumpertz shared the bowling honours with 2/35 and 2/44 respectively.

In ANA's first innings Gary Mildern made a bright 25 out of the total of 72 and Brian Tweedly completed a good all round performance by taking 7/28. Asked to follow on ANA were 8/41 at stumps with Paul Chandler making 10 and John Hill taking 3/18.

WILLIAMSTOWN IMPS.—1st Innings.

Five wickets (declared) for 161 runs (Les Vines 56, Brian Tweedly 37 n.o.).

BOWLING: F. Jumpertz 2/35, T. Gray 2/44, S. Magee 1/16, G. Mildern 0/9, A. Skelley 0/16, W. Douglas 0/34.

Williamstown Imps won on the first innings by 89 runs.

This Saturday the A Turf are to play Spotswood Imps at the Spotswood Oval.

B TURF

Sent in to bat, by ANA, the very powerful Southern Cross team made six declared for 136, with Ray Curwood making 31 not out, and Bob Moody 31.

Bruce Antonoff took the bowling honors with 3/39. Altona then batted and made 82, with Colin stringer in his first game making 19. Bruce Antonoff made a very nice 15 before he was unfortunately run out. Ray Fairall took 4/30 to be the best of the strong Southern Cross attack.

SOUTHERN CROSS—1st Innings.

Six declared for 136 runs (Ray Curwood 31 not out, Bob Moody 31).

BOWLING: B. Antonoff 3/39, K. Martin 1/12, A. Baillie 1/17, R. Staples 1/25, K. Rohleder 0/9, R. Gray 0/10, C. Stringer 0/11.

Southern Cross won on the first innings by 54 runs.

Altona are to play Powerhouse at Gray Reserve on Saturday.

UNDER 16

Resuming at 6/46 St. Mary's A went on to defeat ANA on the first innings. In reply to ANA's 79 St. Mary's made 9/105 (dec.) giving them a lead of 29 runs.

This lead was largely due to the batting of Greg Wheatley and Steve Reiger, who made 27 and 24 not out respectively. Andrew Skelley took 4/26.

Altona were 7/87 at stumps in their second innings, with Jim McCudden completing a fine double with 47 not out. Terry Claughton took 3/6.

ALTONA A.N.A.—1st Innings.
76 (J. McCudden 39, G. Nichol 3/13).

ALTONA A.N.A.—2nd Innings.
Seven for 87 (J. McCudden 47 not out, T. Claughton 3/6).

ST. MARY'S A—1st Innings.
Resuming at 6/46 (G. Wheatley 26 not out, S. Reiger 0 not out): Nine declared for 105 (G. Wheatley 27, S. Reiger 24 not out, A. Skelley 4/26).

St. Mary's A won on the first innings by 29 runs.

LIFE SAVING CLUB NEWS

Last Sunday at the Black Rock Carnival Altona had a very off day, and only won one event.

Bad weather did not help any of the clubs competing in this carnival. Some events had to be cancelled on account of rain and rough seas.

The extension of the clubrooms are coming along well. All walls are now up and it will not be finished, making this club the long before these rooms are most modern on the Melbourne beaches.

Training nights are still being held on the usual night and members are asked to attend so as to get their training in for the championships.

The Swimming Club is still holding their training night on Monday nights at 6.45 p.m. and Saturday afternoon a 1.45 p.m.

The next carnival will be held at Chelsea on Sunday at 11 a.m. and local people are asked to come along and support their club.

PATROL FOR SUNDAY

H. Kip, Captain; C. Mellet, J. Gardiner, I. Neale, R. Kinniburgh, B. Armitage, and G. Page.

oOo

ALTONA PRE-SCHOOL COMMITTEE MEETING

The first general meeting of the Altona Infant Welfare and Pre-School Committee will be held on Thursday, February 14 at 10 a.m. in the Kindergarten Committee Room.

All mothers are requested to attend as their assistance over the next 12 months will be of benefit to their children.

Please help us by coming along.
oOo

AUDITIONS FOR THE AUSTRALIAN BOY'S CHOIR

Parents of boys born between January 1, 1953, and December 31, 1954, are invited to apply now to the secretary, Australian Boy's Choir, Box 2390V, G.P.O., Melbourne, for an audition for their sons.

The Choir is an educational institution wherein suitable receive a thorough musical training. Certain selected boys are given an opportunity to travel on concert tours.

One of the Choirs has just returned from New South Wales having given a concert in Sydney before the Governor of N.S.W. and leading citizens, and having made recordings for the Australian Broadcasting Commission.

ALTONA LIFESAVERS

GUARDIANS OF OUR BEACH

In an interview the president of the Lifesavers, Mr. Jim Byrne spoke of the progress of the club and the need for more skilled helpers. He stressed the need for instruction in mouth to mouth resuscitation. The danger in a combination of a north wind and rubber balls and rafts &c. in the water were emphasised.

EARLY HISTORY

The Life Saving Club was first about 35 years ago, but number of years practised. It was re-organised in 1928 and has since made great progress. When part of the Shire it received considerable help from the Werribee council as it also has from the Altona council.

Prominent in the early days were Mr. Davenport, Mr. H. Edwards, and Cr. Grant, of Werribee council.

The club is at present controlled by a strong executive and committees under the leadership of Mr. Jim Byrne and secretary Trevor Jobling. Cr. Lee is the council representative.

BUILDINGS AND EXTENSIONS

When the present building was adopted (the original site was on Harbor Trust land on the foreshore), the then council gave substantial aid in the building of the first section of the clubhouse. It was planned that the ultimate building be in three sections to be built as they became necessary.

The first section's estimated cost of £6,000 actually cost £7,000, the club having raised £2,000. The second section was built as planned, but by the time for the third section arrived the land

available had been used for another purpose. The present additions, costing about £10,000 to which the club has contributed £2,000 should be completed in March.

The Altona Life Saving Club building will then be without question one of the best in Port Phillip Bay.

FINANCE

Necessary expenditure on furniture and equipment for the extensions is causing the club some concern. There is also the constant need of renewals and additions to existing equipment.

Apart from the Government subsidy of £100 per annum (restricted to lifesaving equipment and the like), the club is largely dependant on subscriptions, donations and fund raising entertainments.

THE WORK OF THE LIFESAVERS

The duties of the Life Saving Club come under several headings—

1. Beach Patrol: i.e. watching and warning and preventing bathers getting into difficulties;
2. Rescue work;
3. Resuscitation of apparently drowned;
4. First-aid; and
5. Caring for lost children.

It is claimed that while Altona with its low coast line is particularly dangerous beach with a north wind, the Patrol is so efficient that only one rescue is on record last year. Lack of skilled lifesavers, however, prevent the patrol from covering all the area they think necessary. In first-aid work the club treated 116 cases in the last six months. The club members are trained in this work, but at certain times in the necessary absence of its leader St. John Ambulance have co-operated on request.

In competition work the club has a high standard and were first in B Grade last year.

Mr. Byrne asked that special attention be drawn to the following—

BEACH PATROL

As sufficient lifesavers are not available to patrol the full bathing area, two flags are set up on the beach. The area between the flags is safe for bathing, being under constant surveillance.

DANGER OF NORTH WIND

With a north wind, rubber toys and rafts can be easily swept out to sea with constant danger to unheeding children.

MOUTH TO MOUTH RESUSCITATION

It is desirable that citizens be trained in this practice. The article published in the "Star" was helpful. Lifesavers are prepared to give instructions and will welcome inquiries.

NEED FOR MORE TRAINED HELPERS

Over the past years many have through the agency of the club, received their Life Savers' Bronze Medalion and the Reel and Line Medal. Swimmers of such high standards would be invaluable to the club at present and an appeal is made to them to renew their life with the club.

OOO

George Charles Randall, John Leonard Newton, and Frederick John Swartz, all of no fixed place of abode, were charged with wilfully trespassing on land, the property of the Victorian Railways, to wit, the Newport railway yards on January 27, 1963.

Mr. T. Bumpstead, an investigation officer for the Victorian Railways, said that at 6.35 p.m. on Jan. 27 he went to Newport railway yards and made a search of the carriages. He found the defendants with two partly filled bottles of methylated spirits. They each told him they got in the carriage to get out of the road and have a drink of metho, and got in across the lines.

Swartz said he had lived in Altona for 34 years and knew it was a branch line. Swartz admitted convictions dating back to 1949, Randal back to 1950, and Newton admitted four previous convictions.

They were each fined £5, in default distress.

A TURF

Altona hit up a big score against their rivals for fourth position, CYMS, at Ferron Reserve and declared their innings closed at eight for 189 in reply to CYMS's score of 128.

Frank Kirk showed his batting prowess as an opening bat by hitting up 68 runs. Ray Duckett also returned to form with a delightful 46.

Next Saturday is the big day for if Altona can beat Kororoit Stars outright they are assured of their place in the finals.

C.Y.M.S.—1st Innings—128.

Altona won on the first innings. This Saturday Altona are to play Kororoit Stars at Grant Reserve at 1.30 p.m.

B TURF

Altona had a first innings win over Newport Powerhouse and much praise must go to Bob Harrison for a terrific bowling performance capturing six wickets for 34 runs.

Altona declared their second innings closed at nine for 39 and left Newport 65 to make to win outright. At the close of play Newport were eight for 62.

TENNIS TEAMS FOR SATURDAY

Altona's teams for Saturday, February 9, are—

A Grade v. Esplanade, away: R. Graham, T. Law, Len Findlay, M. Harrington, Linda Findlay, and T. Smith. Emergencies: C. Turner, and S. Adcock.

A Reserve v. Esplanade, home: C. Turner, C. Trickey, P. Mallet, P. Trickey, G. Butterworth, and O. Kelly. Emergencies: P. Parkinson, and S. Adcock.

oOo

WEST NEWPORT BASEBALL CLUB

Fielding errors and a batting slump cost West Newport the game against St. Kilda last Sunday. West had several chances to pass St. Kilda but failed at the crucial stages.

St. Kilda got away to a lead of 2-1 in the second innings, and held the lead for the rest of the game.

The only bright spots for West Newport were the improved batting of some players out of form and the co-operation of the infield, which is working into a good pattern.

INNINGS SCORES

St. Kilda — 023, 203—10.

West — 010, 200—3.

Best Players: Tony Michael, who pitched well all day, Jim Michael, and Len Schutt.

West Newport play their last game for the season on Sunday week when they will meet Port Melbourne.

oOo

KOORINGAL GOLF

Saturday's Stroke results are as follows—

A Grade: M. Twentyman (9), Nett 71.

Monthly Medal resulted in a tie between J. Jensen (17), and H. Hosken (23), both Nett 65. A replay will take place next month.

Last month's Medal replay was won by J. Jensen (17), Nett 66. Sunday's Stableford competition was won by R. Harrison (17) 41 points, from R. Crump (18) 37 points, and R. Vise (7), R. Jacobsen (3), and R. Schier (11), all 36 points.

oOo

BOWLING NOTES

Owing to the local flooding the Altona green was unable to be used, but it is hoped that the pennant games will be played this week.

The Werribee Club was kind enough to set aside four rinks to allow Altona to meet MCC, and thus save Altona from a forfeit. The full results of pennant games are as follows—

No. 1 Team 100, defeated MSS 97.

Roach, Flynn, Douglas, and Monkhouse: 29-29.

Russell, McMahon, Stephens, and Cunningham: 26-20.

Walsh, Whyte, Deegan, and Mallow: 24-27.

R. Don, McNeilage, Fisher, and Turner: 21-21.

No. 2 Team 59, were defeated by Caulfield 70.

Nettleton, Siphorpe, Probert, and McDonald: 16-26.

Emery, Murphy, L. Cox, and Watson: 23-24.

Mitchell, McMinn, Richardson, and Bush: 20-20.

No. 3 Team 49, lost to Moreland 79.

Clarke, F. Douglas, Grant, and Hill: 17-29.

Pedersen, Shaw, Neal, and Smith: 15-22.

oOo

Snowden, Johnson, Wearne, and Inglis: 16-28.

This week No. 1 Team meet Buckley Park at Altona. Nos. 2 and 3 Teams meet and Newport respectively away.

Owing to the wet condition of the green, members and associates are requested to watch the club notice board with regards to practice and play on the green.

oOo

YACHTING NOTES

Last Saturday's racing was conducted on moderately rough seas and with a fairly hard southerly wind.

In the Miscellaneous Class race Les Miller, sailing a Catamaran Class skippered by Ray Marion. Class yacht, defeated a Moth Kathy Brady, in another Moth, was forced to retire due to the heavy conditions.

Six yachts started in the Hornet Class, including the latest addition to the Club's fleet, Rock 'n' Roll, owned and skippered by Peter Jol.

Cutty Sark (Alex and Keith Robertson) fouled the starting buoy and withdrew. On the second lap Althea (Keith Wallwork) became troubled with excessive water and retired. During the third lap Genesta (John Andress and Sandra Koy) cut too close to a buoy and withdrew.

Places over the line were Jet (Tom Jones and Peter Brennan), Althea (John Bartlett and Alistair Pirie), Rock 'n' Roll (Peter Jol and Allan Darch). Places on corrected times: Jet, Athene, and Rock 'n' Roll.

oOo

TABLE TENNIS NOTES

In A Grade matches last week Altona defeated Seagulls 9-2, Maidstone won from Australian Glass 9-2 and Albright & Wilson lost to Sunshine 6-5.

Among the best players were A. Walker, N. Petrenko, R. Rowan P. Rogers, F. Slawitschke, V. Petrenko, R. Smallwood and Reg Harvey, who was recently promoted from B Grade.

VICTORIAN COMPETITION

The suggestion has been made that the Western Suburbs enter one or more composite teams in the winter pennant conducted by the Victorian Association; this idea should appeal particularly to players who are young and keen and anxious to seek wider competition. Those interested may contact members of the committee at the Centre in Garden Street, Williamstown, or Mr. A. E. Walker, who has been assistant Secretary of the VTTA until recently, and organises St. Georges Club at the Victorian headquarters.

BROOKLYN VISITORS

Members of the Brooklyn Youth Centre have been frequent visitors of late and are showing rapid improvement. Competition play during the winter will accelerate this improvement.

VISITOR FROM MOUNT BEAUTY

Another recent visitor was Mrs. Muriel Pridmore, formerly Muriel Wetton, who resided and worked in Williamstown and district for many years. She is now secretary of the Mount Beauty Table Tennis Association which, like the Western Suburbs, has converted a picture theatre to a Table Tennis Centre.

They have 20 teams, seven tables, and attract players from as far afield as Bright and Albury.

oOo

Summer Drinks with a Difference

PREPARED BY MARY BLAKE, HOME ECONOMIST.

On a hot summer's day there is nothing nicer than a delicious and refreshing ice cold drink. This week I have suggested three new ideas which are quite easy to prepare, and are a little different from the usual summer drinks. Minted chocolate flip, as the name implies, is a blending of chocolate and peppermint, a combination sure to be popular with the whole family, especially the children. This forms a rich creamy consistency. Pineapple tea, with its adult flavour, is extremely refreshing, and simple to make.

With its fruity ingredients orange float is not only attractive and delicious, but also nourishing. If you find that the oranges are not particularly juicy and appetizing, there are several canned varieties available, in which the vitamins are retained.

These drinks are delightful for morning or afternoon teas, or for a refreshing break through the day.

COOL DRINKS FOR CHILDREN TO MAKE MINTED CHOCOLATE FLIP

- 1 cup drinking chocolate
- 1 cup hot water
- 2 cups evaporated milk diluted with 1 cup water
- 1 small teaspoon vanilla essence
- 1 teaspoon peppermint essence
- 1 cup vanilla ice cream
- Sprigs of mint

Dissolve drinking chocolate in hot water. Cool and add diluted evaporated milk and essences, stirring until thoroughly mixed. Chill. Just before serving time add ice cream and shake vigorously. Serve in glasses with a sprig of mint.

PINEAPPLE TEA

- 1 pint freshly made cold tea
- 1 pint canned or fresh pineapple juice
- 1 tablespoon lemon juice
- Sugar
- Crushed ice

Combine tea, pineapple juice and lemon juice. Dissolve 1-2 tablespoons sugar in boiling water and add. Taste for sweetness. Chill and serve with crushed ice and then slice of lemon in each glass.

ORANGE FLOAT

- 2/3rds cup undiluted evaporated milk, chilled
- 1 cup lemon juice
- 1 teaspoon grated lemon rind
- 1 teaspoon grated orange rind
- 1 cup sugar
- 6 cups orange juice, chilled

Set refrigerator at coldest point. Whip chilled evaporated milk until stiff. Add lemon juice, lemon rind, orange rind and sugar. Whip until very stiff. Pour into refrigerator tray and freeze until firm. To serve, fill glasses 2/3rds full of chilled orange juice. Top each glass with a scoop of frozen whip. Makes 6-8 servings. Delicious and nourishing.

Drove Under Influence

Michael Farley, of 5 Stirling Avenue, Seaholme, was charged that on October 27, 1962, at Williamstown, he did drive whilst under the influence of intoxicating liquor to such an extent as to be incapable of driving. He pleaded not guilty, and was represented by Mr. O'Callaghan.

Constable J. Phemister said at 6.20 p.m. on Saturday, October 27 he was driving his private car east in Kororoit Creek Road and saw the defendant travelling in the opposite direction, on the incorrect side of the road. He was forced to pull the car in against the kerb and defendant's car passed within 18 inches of his car, doing about 20 mph. He saw defendant was slumped over the wheel and turned his car around and gave chase. Defendant's vehicle was by then on the extreme right hand side of the road and forced two cyclists into the kerb.

He then began to slowly veer to the left and stopped with his near-side wheels on the centre of the road. He saw that a car travelling east had been forced to the incorrect side of the road to avoid a collision. He got out and went over and saw defendant slumped over the steering wheel.

He did not answer when asked to get out of the car but slowly turned his head and stared. His breath smelt strongly of intoxicating liquor. He was then taken to the Williamstown Police Station, where he had difficulty in alighting from the car and walking without assistance.

Farley told Const. Phemister that he had had 10 glasses of beer and had started drinking about 3.30 p.m. and had his last drink about 6.15 p.m. Asked if he had any illness he said, "I'll fight you, I'm 100% fit." He made three attempts to stand up and do heel and toe on a line but was unable to do it. Asked if he wanted a doctor, he said, "No, leave me alone, I'm drunk." His speech was very difficult to understand.

Mr. O'Callaghan asked if his client had made any reference to his working with petrol fumes, and Const. Phemister said he did mention it. He would know the difference between petrol fumes and beer, though there are some similarities between the symptoms of the two.

Constable W. Luke of the Breath Analysis Squad said he tested Farley at 7.10 p.m. and found .250 which would require a minimum of 16 to 17 glasses. When told that Farley said, "Never, never."

Const. Luke told the Court he had attended lectures on different groups of people, such as spray painters, but did not know for sure what effect petrol fumes had on the breathalyzer.

Farley told the Court he worked as a rigger with a firm which was working at the Ampol depot in Douglas Parade, Newport, renovating a tank. He was working inside the tank which had contained motor spirit. He went into it about 7.45 a.m. until 3.15 p.m. with a few breaks. The boss then took them for a drink and one drink led to another. He did not know how many he had. In reply to the Police Prosecutor he said welders were working on the tank that day but did not know whether it had been washed out first.

He was fined £50 and his licence cancelled. He was granted a stay of six weeks.

Brief History of Altona

It was early in the 19th century that pioneering settlers began to explore the possibilities of the fertility of the land beyond the narrow entrance to Port Phillip Bay. One was a German by the name of Lempriere, who immediately realised that the isthmus bounded by the Kororoit Creek to the North and the seashore could produce cereals, foods and fodder in abundance.

Although no exact date can be established this new settler commenced to construct his home, of bluestone and mud, close to the sandy foreshore, choosing as his design, the familiar rectangular pattern of that day, with the well in its centre. Being a naturalist, he soon surrounded his home with magnificent banyan trees, seedlings, pine trees and other species.

It appears that after establishing his newly acquired home, Lempriere endeavoured to return to his home country, and no records can be found to establish whether or not he did so.

In the middle of the last century the Crown had this area surveyed and Altona, as we know it today, was divided into two Parishes, namely Truganina and Cut Paw Paw.

In 1908 the Melbourne and Altona Colliery Co. was formed to exploit the deposit of brown coal in the area. After making a shaft 12 feet in diameter to 330 feet an estimated quantity of 100 million tons was located. From 1911 to 1919 some 26,352 tons of good quality coal was extracted. This company then sold out to a powerful English firm who spent a considerable amount of money but owing to the existence of artesian water at that depth in the area further development stopped.

It was not until some 70 years after the first Crown subdivision took place that the area was divided into streets and allotments as they now exist.

On October 14, 1852, this area was included in a district which later became the Shire of Wynaham. It was not until 1909 that the Shire of Werribee was named with a division of ridings. In 1928, the fifth riding, Altona Riding was created and affiliated to the Werribee Shire. Two annexations to the City of Footscray and City of Williamstown took place early in 1940. This left the Altona Riding, which formed the Shire of Altona in May, 1957.

Further adjustments to boundaries by annexation to Werribee Shire and Williamstown City leaves the area at 15.52 square miles —The Shire boundary comprises the Altona Rotary Club area.

The perimeter metropolitan seaside municipality is 10 miles distance from the G.P.O. with a population of 16,500, 4,100 homes, extensive industries, many of which are allied to a Refinery, and a valuation for rating purposes of £2,460,040.

DRUNK AND DISORDERLY

Goerge Charles Randall, John Leonard Newton, and Frederick John Swartz, all of no fixed place of abode, were each fined 10/- for being drunk and disorderly in Blyth Street, Altona, on February 2, 1962.

LABOR VIEWS

"STATE AID FOR FLOOD VICTIMS"

We of the Altona Branch of the Australian Labor party extend our deepest sympathy to all those people in Altona who suffered during the recent flood. Further, we condemn the action of the Premier, Mr. Bolte, in his statements to the press, television and radio, in these statements he refused to give aid to those people distressed by the floods.

These statements comparing the damage to the hail damage by some orchardists recently, his inference was that the people of Altona and Coburg had a cheek and were imposing on the Government by asking or even suggesting State aid.

These statements show once again that Mr. Bolte is far out of touch with the people of Victoria, it also reveals that his blatant disregard for people who live in staunch Labor areas, how different was the position after the bush-fires of last year.

We believe that State aid is a must if people are to be enabled to resume their position without great loss.

On Friday last branch members were invited to attend a public meeting held in the Coburg Town Hall, five of our local councillors were also in attendance. Cr. H. W. Lee addressed the meeting and informed of the position here in Altona, the meeting resolved to send a deputation to the Premier demanding aid for the flood victims.

It was apparent by the kind of complaint put forward by the residents of Coburg that they consider the Board of works to be at fault, we believe this is also the case in Altona. If the proposed 100 ft. wide drain had been constructed by the Board we feel the flood would have been averted. Furthermore, we believe the construction of this drain should be No. 4, on the Board of Works projects for 1963, otherwise there could be a repetition of the floods in the near future.

We believe that all residents who were inundated by the flood should protest the lack of action by the Government, and to demand similar aid to that which applied in the case of the bush-fire victims of last year.

A. J. ROBINSON,
Public Relations Officer, Altona Branch, Australian Labor Party.
oOo

PUBLIC NOTICE

To promote interest in local sporting groups and help raise funds for improvements to the sports grounds and pavilions, the West Newport Health and Recreation Centre will conduct an All Sports Day at Loft Reserve, Maddox Road, West Newport, on Sunday, April 21.

This will include Baseball, Cricket, Football, Cycling, Basketball, Soccer, Marching Girls, Athletics, &c., and will end with an outdoor barbecue. Any business firms or persons who are interested in donating trophies, making direct donations or program advertising should contact the secretary at 65-3739 as soon as possible.

NO. 1-CITIZEN

Council wishes to draw the attention of organisers of local functions to the fact that irrespective of who the Shire President is he is the number one citizen in the Shire, and on attending any function within the Shire, as representative of the Shire, he should be given priority.

Cr. H. W. Lee pointed out that invitations to the Shire President have been issued and accepted by him but on arrival at the function nobody has been at the door to meet him and he has been completely ignored. He has gone to the trouble of preparing a speech but people attending the function have not even known he was there.

On stepping forward to speak at one function the President was asked "To make it as quick as possible."

When future invitations are accepted on the President's behalf, Cr. Lee suggested a reminder card be included with the reply.

oOo

TRANSFER OF LAND

It is quite a coincidence that at the height of the flood last week the Victorian Railway Department signed the necessary documents for the transfer of 33 feet of land from the Shire Council.

This land is a section of Parkside Reserve and is needed by the Railway Department in connection with the raising of the railway line north of Civic Parade to allow the Board of Works 100 feet drain to pass underneath.

The Railway Department refused to accept the land as a gift and paid council £1 for same.

oOo

POLIOMYELITIS IMMUNIZATION ADULTS

DATE: Thursday, February 14, 1963, and each Thursday to March 27, 1963, inclusive.
TIME: 7 p.m. to 8 p.m.
PLACE: Shop at 24 Pier Street.
The immunization consists of three (3) injections of SALK VACCINE.

A period of four (4) weeks between 1st and 2nd injection and a minimum period of seven (7) months to elapse between the 2nd and 3rd injection.

All adults not previously immunized and who have not completed the full course of treatment, are advised to avail themselves of this opportunity.

THE TREATMENT IS FREE!

For further advice or any queries, ring or call the Health Inspector at 65-8181 between the hours 10 a.m. to Noon, Monday, Thursday, and Friday.

POLICE NEWS

Thieves broke into the Altona Railway Station and stole parcels from the parcels office last Friday night.

The parcels were recovered the next day from the grounds of St. Mary's School, where they had been buried in the sand.

Every parcel had been tampered with but only two were missing.

oOo

TOWN AND COUNTRY PLANNING ACT 1961.

Notice is hereby given that the following notices appeared in the Government Gazette No. 127 of December 19, 1962, at page 4143.

1. REVOCATION IN PART OF THE SHIRE OF ALTONA PLANNING SCHEME 1958.

Whereas it is provided under the Town and Country Planning Act 1961, that the Governor in Council, upon application of the Town and Country Planning Board or the responsible authority or of any other person or body of persons appearing to him to be interested, may revoke the whole or any part of any planning scheme if he thinks that, under the special circumstances of the case it should be so revoked, now therefore His Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council, thereof, doth hereby revoke the Shire of Altona Planning Scheme 1958, in so far as it applies to all that land being lots 21, 22 and 23 on plan of subdivision No. 54804, lodged at the Office of Titles and being part of Crown allotment 12, section IV., Parish of Cut-paw-paw County of Bourke, the boundaries of which are as follows:—

Commencing at the intersection of the western alignment of Millers-road and the northern alignment of Luly-street; thence westerly along Luly-street to the eastern alignment of Blair-court; thence northerly by Blair-court for a distance of 180 ft. 2 in.; thence easterly for a distance of 101 ft. 6 in.; thence southerly by Millers-road to the point of commencement.

And the Honorable Murray Victor Porter, Her Majesty's Minister for Local Government for the State of Victoria, shall give the necessary directions herein accordingly.

N. G. WISHART,

Clerk of the Executive Council.

2. REVOCATION IN PART OF THE SHIRE OF ALTONA PLANNING SCHEME 1958.

Whereas it is provided under the Town and Country Planning Act 1961, that the Governor in Council, upon application of the Town and Country Planning Board or the responsible authority or of any other person or body of persons appearing to him to be interested, may revoke the whole or any part of any planning scheme if he thinks that, under the special circumstances of the case it should be so revoked, now therefore His Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council, thereof, doth hereby revoke the Shire of Altona Planning Scheme 1958, in
